EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura, CPI: 8.58 / 10

Aug 2024 – Present

Intermediate, City Convent School, Atrauli

May 2024

High School, City Convent School, Atrauli

May 2022

PROJECTS

Student Performance Predictor ([LINK](#))

Jan 2026 - March 2026

Python | Pandas | NumPy | Matplotlib | Scikit-learn | Streamlit

- Built a machine learning model to predict student performance (~85% accuracy)
- Used academic and attendance data, performing data cleaning and feature engineering
- Developed a Streamlit dashboard for real-time predictions

AI-Resume-Analyzer

Apr 2026 - Present

Python | Pandas, NumPy | Streamlit | NLP | PDF Processing

- Developed AI-Resume-Analyzer to extract skills and keywords from PDF resumes.
- Provided actionable improvement suggestions and generated summary reports.
- Built a Streamlit interface for easy resume upload and analysis.

HireSense AI – Mock AI Interview Platform

Apr 2026 - Present

React | Node.js | Express | REST API | OpenAI API

- Developing an AI-powered mock interview platform with real-time feedback using React and Node.js
- Designed and integrated REST APIs for seamless user interaction
- Integrating Generative AI for dynamic, intelligent interview feedback with OpenAI

SKILLS

- **Languages & Core :** Python, Java | DSA, OOP, Data Analysis
- **Libraries & Databases :** Pandas, NumPy, Matplotlib | SQL, MongoDB, PostgreSQL
- **Tools :** VS Code, Power BI, Streamlit, Spyder, Jupyter Notebook, Git/GitHub
- **Skills :** Communication, Teamwork, Problem-Solving, Analytical Thinking, Time Management

PROFESSIONAL ACHIEVEMENTS/ CERTIFICATIONS

- SQL (Basic) - [HackerRank](#) | Python (Basic) - [HackerRank](#) | Java (Basic) - [HackerRank](#)
- Data Science Certification - Infosys Springboard.
- Tata Group – GenAI Powered Data Analytics Job Simulation ([LINK](#))

CO-CURRICULAR ACTIVITIES

- Participated in Devi@thon Hackathon, focusing on collaborative problem-solving and innovative solutions. ([Certificate](#))
- Solved 400+ DSA problems across LeetCode, CodeChef, HackerRank, and GeeksforGeeks.
- Participated in SheTech Coding Quest (IEEE WIE MRU, 2026), solving time-bound coding challenges focused on problem-solving and DSA. ([Certificate](#))
- Participated in a national-level PM Internship Quiz organized by Ministry of Corporate Affairs & MyGov.
